

Construction Update

Devonport Town Centre | Safety Improvements

On behalf of everyone at Auckland Transport we hope this newsletter finds you and your whānau well.

Here's a quick update from the project team about the work that is happening in and around Devonport.

The construction of the Devonport Town Centre Safety Improvement project started on 12 June 2023 after our consultation and significant community input. We acknowledge everyone who shared their views with AT including representatives from the community, Business Association, Bike Auckland, Devonport-Takapuna Local Board and Ward Councillors.

We would like to thank you for your patience while this important safety work is carried out. To minimise disruption, the works will be carried out in stages. Construction phases location and timeline can be found on page 2.

Construction of Victoria Road new raised pedestrian crossing

What we are doing

We will be building raised crossings, a separated cycleway, upgrading streetlighting at pedestrian crossings, minor footpath upgrades, and making other safety improvements around the area.

These improvements will slow down traffic to create an environment that is safer for everyone. Check out our staging map below that shows how we will be constructing our safety improvements.

Construction Phase Map

Safety Improvements

Timeline 2023*

Construction Phases		JUN	JUL	AUG	SEP	OCT
A	Upgrade to raised crossing	✓				
B	New raised crossings		✓			
C	Pedestrian crossing improvements

What we've been up to

Phase F Victoria Road bus stop upgrade

What we've been up to

Phase D Flagstaff Terrace raised pedestrian crossing

What we've been up to

Phase E Victoria Road King Edward Parade

Meet our team

Ryan is a Graduate Engineer at Fulton Hogan, where he has been working for one year. His journey with Fulton Hogan began during the pandemic, when, like many others, he decided to embark on a new career path. Ryan's lifelong fascination with civil works led him to pursue a career in Civil Engineering.

His favourite part of the project is meeting the locals and working with his crew to enhance the safety and accessibility of the Devonport community.

Beyond his professional life, Ryan is a dedicated family man, juggling his time at home with his wife and five children. In his spare time, he enjoys outdoor activities and is also a Crossfit coach.

Fulton Hogan construction team

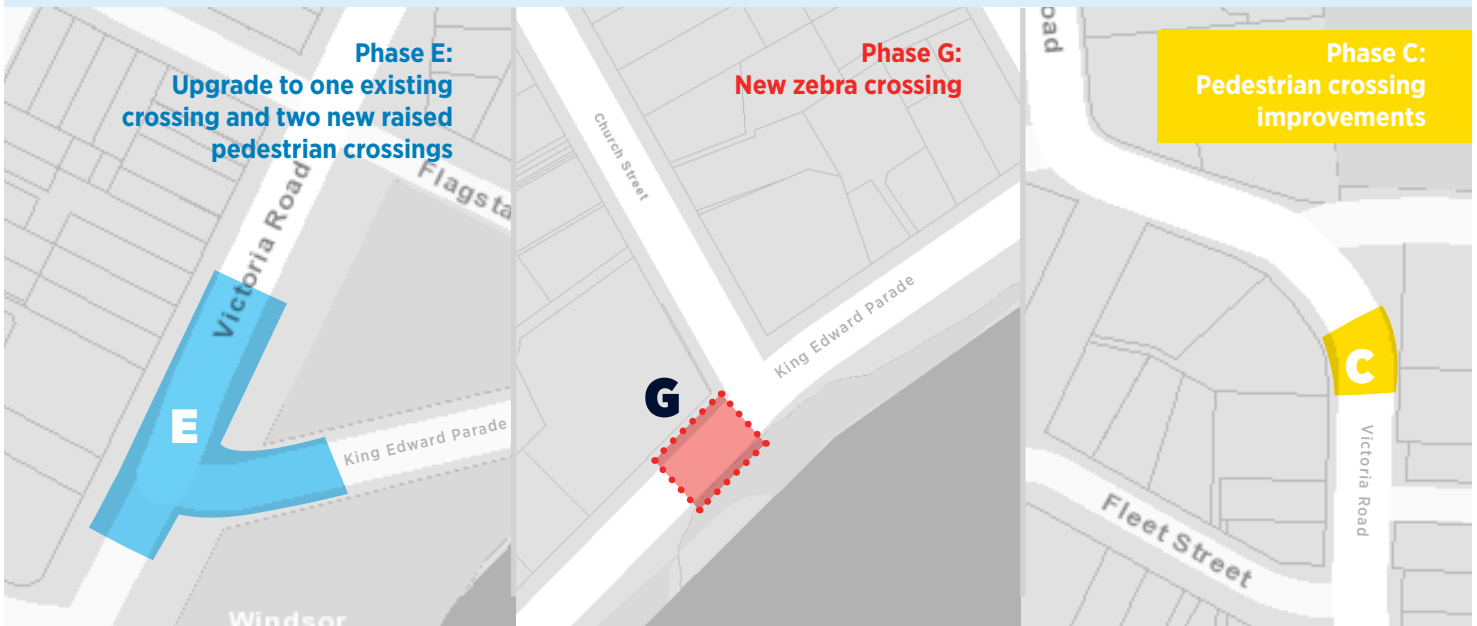

Next up
(weather dependant)

In September, we will complete Phase E, G and C of the project

Phase E consists of upgrading two existing crossings and one new raised crossing on Victoria Road and the intersection of King Edward Parade

Phase G consists of a new zebra crossing on King Edward Parade

Phase C consists of pedestrian crossing improvements on Victoria Road

For your safety

Traffic management is in place to keep the public and our crew safe while we carry out this work. Please make sure children and pets in your care do not enter any fenced areas and be aware of the trucks and other machinery in the area.

Pedestrians and cyclists are being diverted around our sites. Please follow our detour routes and stay safe. If you would like further information regarding the project, please contact us using the details provided at the end of this newsletter.

We have a weekly drop-in session at the Devonport Library, where you can get up to date information about the project

Auckland Transport and Fulton Hogan project staff will be available on Thursdays, from 10 am to 11 am, to answer your questions and queries.

For questions about construction activities (machinery, traffic management etc.) contact Fulton Hogan Stakeholder Manager, Emma Cushnie, on **027 532 4305** or email Emma.Cushnie@fultonhogan.com
For project related questions, please contact AT on **09 355 3553** or email projects@AT.govt.nz
