

Schools covered by the proposed Speed Limits Amendment Bylaw 2022

Auckland Transport is proposing to introduce safe speed limits of 30km/h outside an initial set of schools across Auckland. All of Auckland's schools are intended to have safe speed limits set by 2030 with an interim target of 40% by 2024.

In total, 71 schools are covered by the proposed bylaw amendment with groupings in Albert-Eden (where schools typically exit onto local, lower speed residential streets) plus Franklin, Manurewa and Waitemata which are focus areas under this amendment bylaw.

Waiheke and Aotea / Great Barrier road networks are being considered holistically within the next phases of the Safe Speeds programme and will have school speed limits addressed at this time.
