Drawing No.	GD021A

Technical drawing of a car chassis showing dimensions for wheel placement and axle length. The drawing includes labels for 'Back' and 'Front' ends, and dimensions for wheel placement (900, 2800, 800) and axle length (100, 130).

Diagram illustrating a road cross-section. The road surface has a 2% fall (1 in 50). The existing berm level is 15% max. The diagram also shows a 300mm dimension and a 180.0mm dimension. The road is labeled "As per note 2".

Length of driveway (Varies with tie-in)

TYPICAL INTERNAL DRIVEWAY PROFILE FOR RESIDENTIAL PROPERTIES
