

ALL YOU NEED TO KNOW ABOUT THE RIDE:

The Devonport to Takapuna Great Ride includes paths, boardwalks and bridges weaving through parks, mangroves, and heritage streets. Along the way find a nautical-themed playground at Northboro Reserve, look for eels among the mangroves, and delve into the North Shore's history at its oldest cemetery founded in 1891.

There are short steep hills near either end of the ride. To avoid the busy Devonport shops, pass in front of New World Supermarket and walk up the ramped foot path to the top of Victoria Rd. Past Calliope Rd there is a bike lane on the footpath. At the Takapuna end riders may wish to enter the shops or cross at the zebra crossing and pop down Bloomfield Spa to the beach.

Confident riders can make a round trip returning from Takapuna along Lake Road & Vauxhall Road, stopping off at the stunning Cheltenham and Narrow Neck Beaches.
