

The Pedestrian Game

This game is designed to get kids thinking about pedestrian road safety.

GOAL: Walk your way around the board as quickly as possible while still following safe habits and remembering to Stop, Look, Listen.

TIME: approximately 15 minutes

PLAYERS: 3-6 students and one adult game master

❖ Crossed the road with an adult. Move ahead 1 space.

❖ Showed your little brother/sister how to stop, look & listen. Go ahead 2 spaces.

❖ Gave yourself lots of time to stop, look & listen. Roll again.

❖ Stepped out onto the road without looking. Go back 7 spaces.

❖ Playing on the road! Miss a turn.
