

(A) Install Variable Message Sign Type DS. Locate sign on west side of Blockhouse Bay Road at a point 10 meters north of the driveway to #193 Blockhouse Bay Road and 2.5 meters from the nearest kerb face of Blockhouse Bay Road.

- Note:**
1. Power source located at the Power pole in front of #191 Blockhouse Bay Road approximately 7 meters north of the proposed location of the VMS.
 2. Pole is generally as per Drawing 51-32276-S401
 3. The contractor is responsible for ensuring all services are located, marked by the appropriate service authority prior to any site works.
 4. In the event that services are located at the designated position of the VMS pole the Engineer will determine an alternative location
 5. The minimum distance from the ground level to the underside of the sign is 3 meters. The minimum distance from the edge of kerb to the face of the sign is 600mm.
