

A

Install Variable Message Sign Type Big D. Locate sign on west side of Don Buck Road at a point 2.0 meters north from the power pole # CA1075 and 2.5 meters from the nearest kerb face of Don Buck Road.

Note:

1. Power source located at power pole # CA1075 located opposite site #2 Woodside Rd.
2. Pole is generally as per Drawing 51-32276-S401
3. The contractor is responsible for ensuring all services are located, marked by the appropriate service authority prior to any site works.
4. In the event that services are located at the designated position of the VMS pole the Engineer will determine an alternative location
5. The minimum distance from the ground level to the underside of the sign is 3 meters. The minimum distance from the edge of kerb to the face of the sign is 600mm.
