

Install Variable Message Sign Type DS. Locate sign on north side of Swanson Road at a point 10 meters from the projection of the kerb line on Glenarden place and 2.5 meters from the nearest kerb face of Swanson Road.

- Note:
1. Power source located outside #413 Swanson Rd.
  2. Pole is generally as per Drawing 51-32276-S401
  3. The contractor is responsible for ensuring all services are located, marked by the appropriate service authority prior to any site works.
  4. In the event that services are located at the designated position of the VMS pole the Engineer will determine an alternative location
  5. The minimum distance from the ground level to the underside of the sign is 3 meters. The minimum distance from the edge of kerb to the face of the sign is 600mm.
