Karangahape Road Enhancements Parking Plan

The Karangahape Road Enhancements project, beginning construction late 2018, will see changes to the way we park on Karangahape Road and some of the surrounding streets. Auckland Transport and Auckland Council want to hear your thoughts on a plan to maximise parking options for visitors to Karangahape Road.

Come along to one of three drop-in sessions, where you can chat with the project team and give your feedback on the proposed parking changes.

Your feedback will influence decisions on:

- Loading zone location
- Parking for taxis
- Mobility parking
- Paid parking area and hours of operation
