

Safe speeds for Devonport

Why safety is important: Everyone deserves to get home safely

Our children
walking to
and from
school

People walking,
crossing roads,
cycling or
driving in our
communities

Our elderly
and disabled
crossing
the road

Our health
& wellbeing
to enjoy the
outdoors in our
neighbourhood

No one gets
seriously hurt
or dies on our
roads

Kōrero mai Have your say

**We're looking at permanently changing speed limits
on selected roads around the Devonport Town Centre**

Safe speeds for Devonport

Feedback is due by 3 April 2022

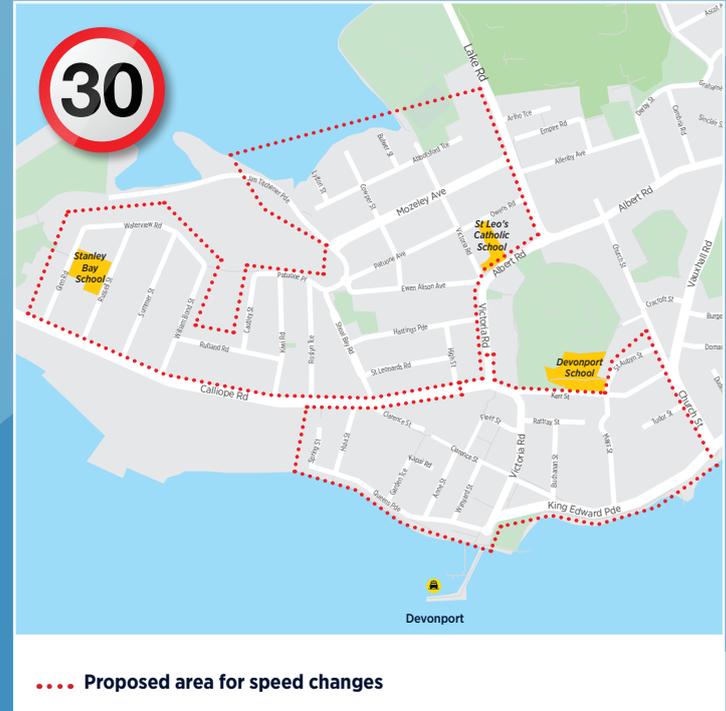

The proposed speed reductions are the first step in making Devonport safer, later in the year there will be a consultation around additional speed calming measures.

Speeds will be reduced for the safety of tamariki (children) attending schools near you. Please refer to the map.

Your feedback is important and will help us make final decisions on the proposed changes.
