24 November 2026

Sutherland Road Traffic Management Update

Kia ora,

We're writing to provide a project update for Zone 1, following our 6 October 2026 notice. Stormwater upgrades from 8 Sutherland Road to 28 Carrington Road, and at the Carrington Road and Sutherland Road intersection, are now complete.

Traffic management at the intersection will stay in place until 20 December 2026 while new utilities are installed.

For more project information, scan the QR code. You can also subscribe to our newsletter for updates about future construction stages.

Here is what you need to know:

Where	Intersection of Carrington Road and Sutherland Road
When	Until 20 December 2026
What we're doing	Installing new utilities
How it may impact you	• On street parking will not be available on either side of a short section of Sutherland Road, this will be clearly signed. • Pedestrian access on Carrington Road and Sutherland Road will be maintained but detours may be in place.
How travel is affected	• Three-way stop-go at the intersection of Sutherland Road and Carrington Road; Temporary traffic lights will remain in place 24/7, including outside working hours.

Contact us

If you have any queries or concerns about this project, please contact Auckland Council:

Email: carrington@at.govt.nz

If you have any queries related to the **construction**, please contact Kirrily:
