

9 March 2026

## We're improving the Selwyn Street and Arthur Street intersection in Onehunga

Kia ora,

We are improving the intersection on Selwyn Street and Arthur Street in Onehunga. Work will take place between 16 March and 26 June 2026. These works are part of the Selwyn Street and Arthur Street Intersection Improvements project within the Road Safety programme. To check for updates on this project please visit <https://haveyoursay.at.govt.nz/selwyn-arthur>.

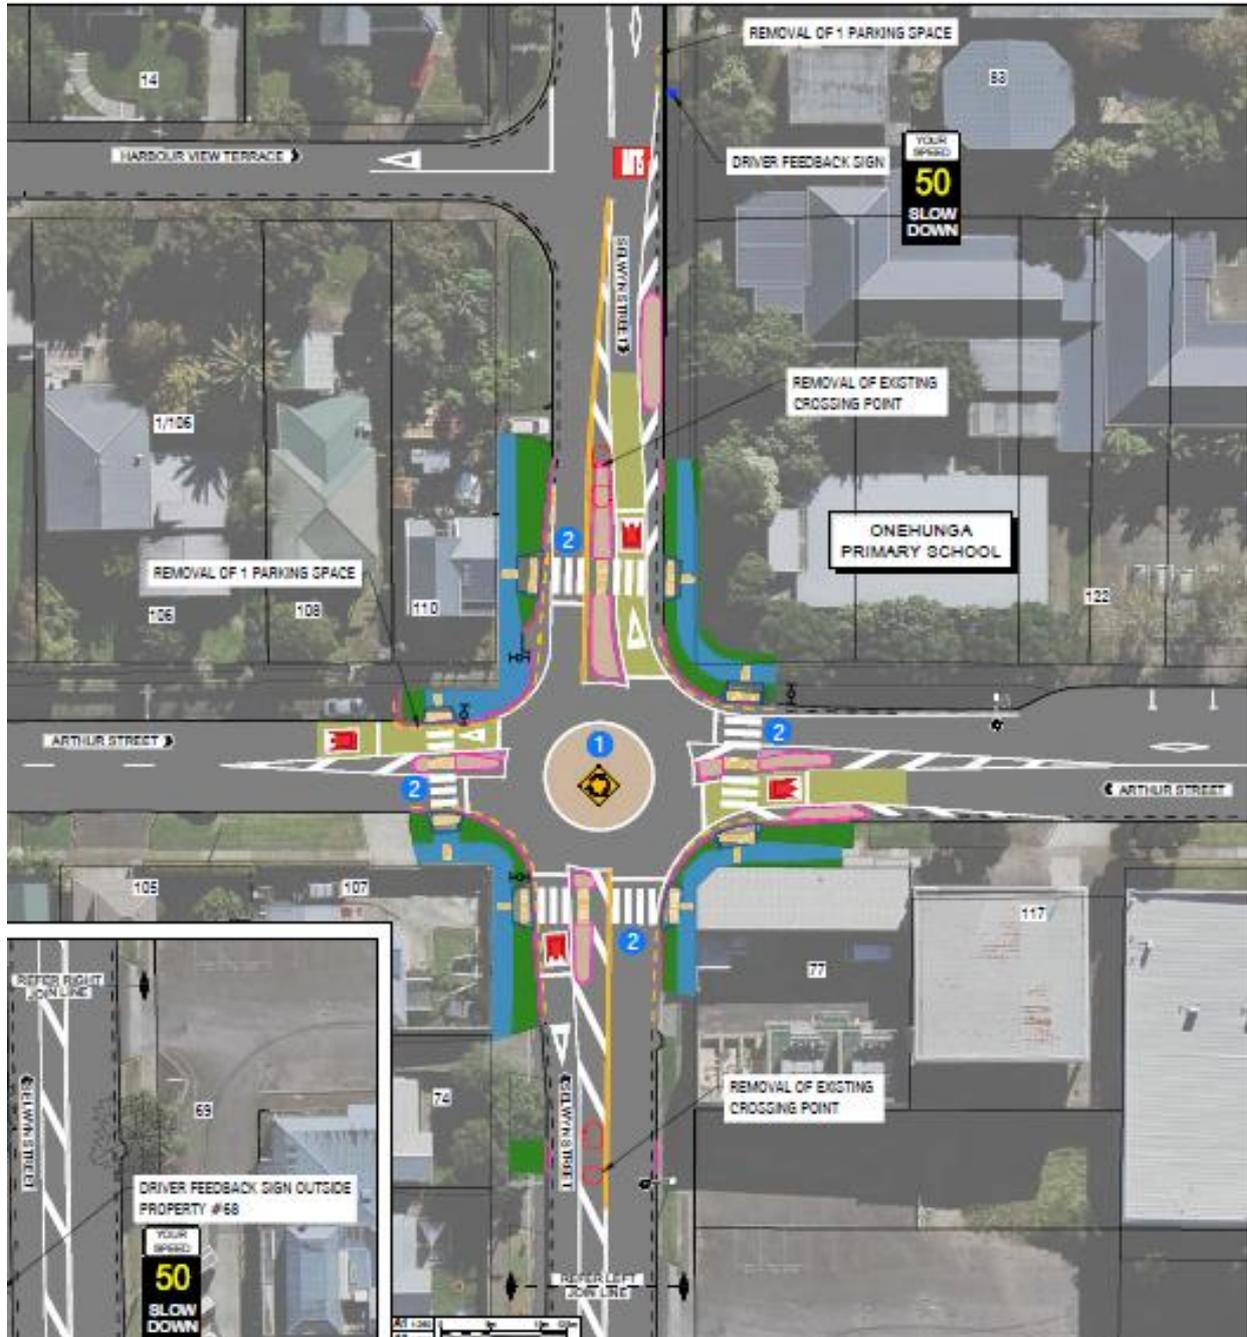

Factors such as wet weather could mean a delayed start. If the delay is significant, we will notify you.

Here is what you need to know about the work happening near you:

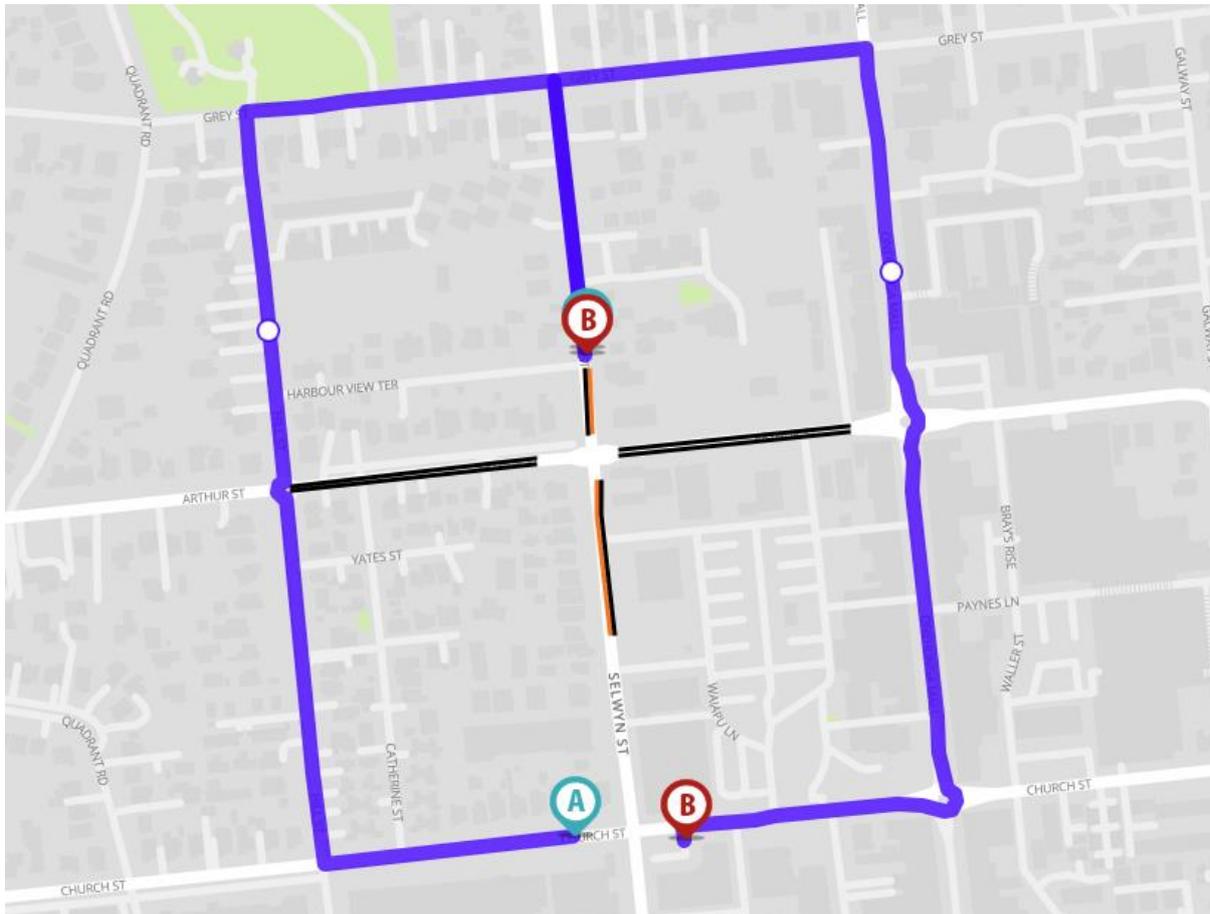

<b>Where</b>	<ul style="list-style-type: none"> <li>72 to 80 Selwyn Street and 104 to 117 Arthur Street in Onehunga (see work location map below)</li> </ul>
<b>When</b>	<ul style="list-style-type: none"> <li>16 March to 26 June 2026 <ul style="list-style-type: none"> <li>Dayworks: 7am to 7pm</li> <li>Nightworks: 7pm to 5am</li> </ul> </li> </ul>
<b>What we're doing</b>	<ul style="list-style-type: none"> <li>Installing a mountable urban roundabout, including associated signage and road markings.</li> <li>Installing speed cushions and traffic islands to slow approaching traffic and improve vehicle deflection when entering the roundabout.</li> <li>Installing pedestrian crossings on all four legs of the intersection, including the removal of the existing pedestrian refuge islands on Selwyn Street near #74 and #110.</li> <li>Installing two driver feedback speed signs on Selwyn Street, one outside #68 and another outside #83.</li> </ul>
<b>How it may impact you</b>	<ul style="list-style-type: none"> <li>On-street parking will be limited during works. You may need to either park on your property or on a side road and walk to your property.</li> <li>Works will create noise and vibration; we'll do our best to keep noise levels down.</li> </ul>
<b>How travel is affected</b>	<ul style="list-style-type: none"> <li>Lanes will be reduced on Selwyn Street and Arthur Street.</li> <li>Detours will be in place to redirect traffic around the work site (see detour map below)</li> </ul> <p>Traffic controllers will be on site to assist around the work site. Please follow all signs, light signals and traffic directions.</p>
