

AMETI

AMETI Project Update

June 2014

Panmure Interchange, Mountwell Crescent and Ellerslie Panmure Highway

Planting is now underway around the station and minor finishing works are continuing. The road closures at night on the corner of Forge Way and Ellerslie Panmure Highway are in the final stages.

AMETI Link Road North

Kerbing is continuing on Morrin Road East in order to open up the area for pavement preparations. Fraser Road tie in works to increase the road width have also started.

William Harvey Footbridge

Work on the new William Harvey Footbridge is expected to be finished by the end of June. While pedestrians can access the new footbridge, wheel chair access will not be available until the new lifts are completed next month.

AMETI Link Road South and Panmure Covered Box Tunnel

Fire protection, the mechanical and electrical fit out and light installation in the tunnel is now finished. Testing is underway. Drainage work for the eastern noise wall construction south of 95 Ireland Road, along the Kiwirail corridor is complete with noise wall construction due to be finished next month.

Mt Wellington Highway service relocations are continuing and night works will continue until the end of June in order to complete work for the opening of the new Link Road.

Van Damme's Lagoon

The wetland shaping and wetland planting at the lagoon is now complete. Work is due to commence on the Watercare Services Eastern Interceptor Pipe Bridge Support. Staging platforms for the work across the lagoon are being set up and work will continue to late 2014.

Ireland Road Stormwater Works

Ireland Road works near the Panmure Basin outfall are in the final stages and landscaping is complete.

Auckland Transport thanks you for your patience whilst these works are being completed. Should you have any concerns please do not hesitate to contact Stakeholder Management Specialist Greg Horne at greg.horne@aucklandtransport.govt.nz or on 09 355 3553. For more information, visit at.co.nz/ameti
