

Road Safety Expos

Bike Smoothie Maker:

Show how much energy is used to make a smoothie.

Speed Camera:

Students running speed recorded.

Road safety quiz:

Students answer the quiz and then go into a prize draw for the first three correct entries drawn.

Slow bike races:

The student who finishes last, wins!

Fatal vision goggles:

Students get to experience the effects of impaired vision.

Breathalyser:

Students get to see how a breathalyser works.
