From Thursday 14 December 2023 Meola Road will be closed to through traffic as part of the Point Chevalier to Westmere Improvements Project (the PtC2W Project).

Where	Meola Road – from Moa Road through to Garnet Road, both directions. Residents only access will still be available for all properties from Moa Road down to the last driveway near #207 and from Garnet Road down to the Scout Den.
When	From 7pm Thursday 14 December 2023 through to 7pm Tuesday 6 February 2024.
Hours of work	7am to 7pm Monday to Sunday
For (duration)	The full closure is only for the dates above. However, this is part of ongoing traffic management and closures over the next 18 months. We will keep you updated regularly.
Traffic Management	All traffic will be required to detour via Great North Road. See map below. Pedestrian access will remain open along Meola Road. Access to the Meola Reef Dog Park will remain open via the western most entrance, however the carpark for the park will be closed.

The work we're doing

During this closure, Auckland transport and construction partner Dempsey Wood will fully reconstruct 840 metres of Meola Road with new infrastructure including aggregate road base, kerb and channels, subsoil drainage and asphalt.

We are working hard to be a respectful neighbour during the necessary works. We will keep disruption to a minimum and where unavoidable, keep you informed. There are some common impacts which are unavoidable including traffic management (see detour below) and noise and vibration as this work involves activities such as hydro excavation, concrete cutting and use of heavy equipment such as excavators and compactors.

Please follow all signs and traffic directions.

Contact Us

We will minimise disruption as much as we can during the works period and encourage you to keep in touch with our construction team.
