## We are completing significant upgrades to services and utilities on Carrington Road in Mount Albert

Kia ora,

We are about to begin the major upgrade works inside the newly fenced areas across Zones 1, 2 and 3 (map on overleaf). Work within these zones will start from June through till November 2027 (estimated completion date), from Monday to Saturday between 7:30am and 6pm. As work locations progress, targeted letters will be provided if work occurs close to property or business frontages.

Scan the QR code to receive a digital copy of communications related to project construction that may directly affect your property, business, school, accessibility or regular traffic route.

### Here is what you need to know about the work happening through the month of June to July 2026:
