

2 October 2025

Surrey Crescent and Old Mill Road improvements

Kia ora,

We are pleased to let you know that works outside the Grey Lynn Primary School is finishing shortly and will soon be moving to stage. 2.

Here is what you need to know about the work happening near you:

Where	Stage 2: between Firth Rd and Stanmore Rd, Grey Lynn
When	<p>Work will be completed over six weeks, from approximately Friday 10 October to mid-November. Our work hours will be Monday to Saturday, 7:00am and 7:00pm.</p> <p><i>Please note wet weather or unforeseen circumstances may delay the work start.</i></p>
What we're doing	<p>We're delivering road maintenance and corridor upgrades, including:</p> <ul style="list-style-type: none"> • New cycle lanes and shared paths • Upgrading pedestrian crossings • Kerb buildouts • Road resurfacing and new road marking <p>We are planting new native trees to supplement local planting and replace the poor condition trees we will need to remove.</p>
How it may impact you	<p>Pedestrian access to all businesses and residences will remain open throughout the works. If your property access is directly affected, our stakeholder team will contact you ahead of time to make arrangements. On street parking will be limited during these works.</p> <p>Resurfacing works between Great North Road and Richmond Road will commence following the completion of Stage 2. To ensure a high-quality finish and faster delivery, this work will be carried out at night under full road closures. We will confirm the dates and times of this via a letter drop closer to the time.</p>
How travel is affected	<p>To minimise disruption works will be delivered in three phases:</p> <ul style="list-style-type: none"> • Phase 1: Firth Road to Richmond Road (orange on map) • Phase 2: Gilbert Avenue to Richmond Road (green on map) • Phase 3: Richmond Road to Firth Road (red on map) <p>Traffic flow along Surrey Crescent will be maintained in both directions, but there will be some traffic movement changes on side streets.</p> <ul style="list-style-type: none"> • Phase 1: A single lane closure will be in place on Browning Street and Firth Street. • Phase 2: Stop-go at the corner of Gilbert Avenue, Stanmore Road and Surrey Crescent. <p>Traffic controllers will be on site to assist drivers and pedestrians. Please follow all signs, light signals and traffic directions.</p>
Bus Stop Relocation	Bus stop 105 may be relocated during phase of the works, please check the AT mobile app for up-to-date information on temporary changes.

Keeping you informed

You'll receive updates as we progress and before any night works. We're committed to working safely and keeping the community informed every step of the way. To find out more about the Surrey Crescent and Old Mill Road Improvements project scan the QR code.
