

Chief Executive's Public Briefing – June 2011

1. Introduction

This report is prepared to provide Directors an overview of the business and a general "pulse" as to the state of the overall operation. Detailed comments in the Finance and Business Reports provide more data on specific topics.

2. Operational Overview

- The majority of CE work time this month has been focused around EMU contractual negotiations and CRL management meetings/presentations with Auckland Council Executives and staff.
- The transition of Customer Services from Finance into People & Services division has proceeded smoothly
- While the public profile of transport continues to be focussed on public transport and particularly rail, there remains strong and growing progress in a wide range of road safety, maintenance and renewal projects across the region. AT continues to receive positive feedback on its work programme.

3. Public / Stakeholder Presentations

A number of public events have involved AT presentations in May/June, which include:

- Transport NZ 2011 Summit presentation
- Transport Committee presentations re Quarterly Report & CRL
- MWH Conference presentation
- Ministerial tour of Eden Park (MP Joyce & McCully)
- Council (Budget) presentation – 29 June
- Business / Association meetings (e.g. AA & EMA)
