

19 March 2026

We're making improvements to pedestrian crossings and footpaths on Queen Street, George Street, Kent Street and Mellsop Avenue in Waiuku

Kia ora,

We are installing a new zebra crossing and upgrading the footpath on Queen Street in Waiuku to improve pedestrian safety. These improvements will also include installing a refuge crossing on George Street and pram crossings on Kent Street and Mellsop Avenue. Work will take place between 29 March and 23 April 2026 from 7am to 7pm. These works are part of the *Queen Street, George Street and Mellsop Avenue, Waiuku - Pedestrian Improvements* project.

Factors such as wet weather could mean a delayed start. If the delay is significant, we will notify you.

Here is what you need to know about the work happening near you:

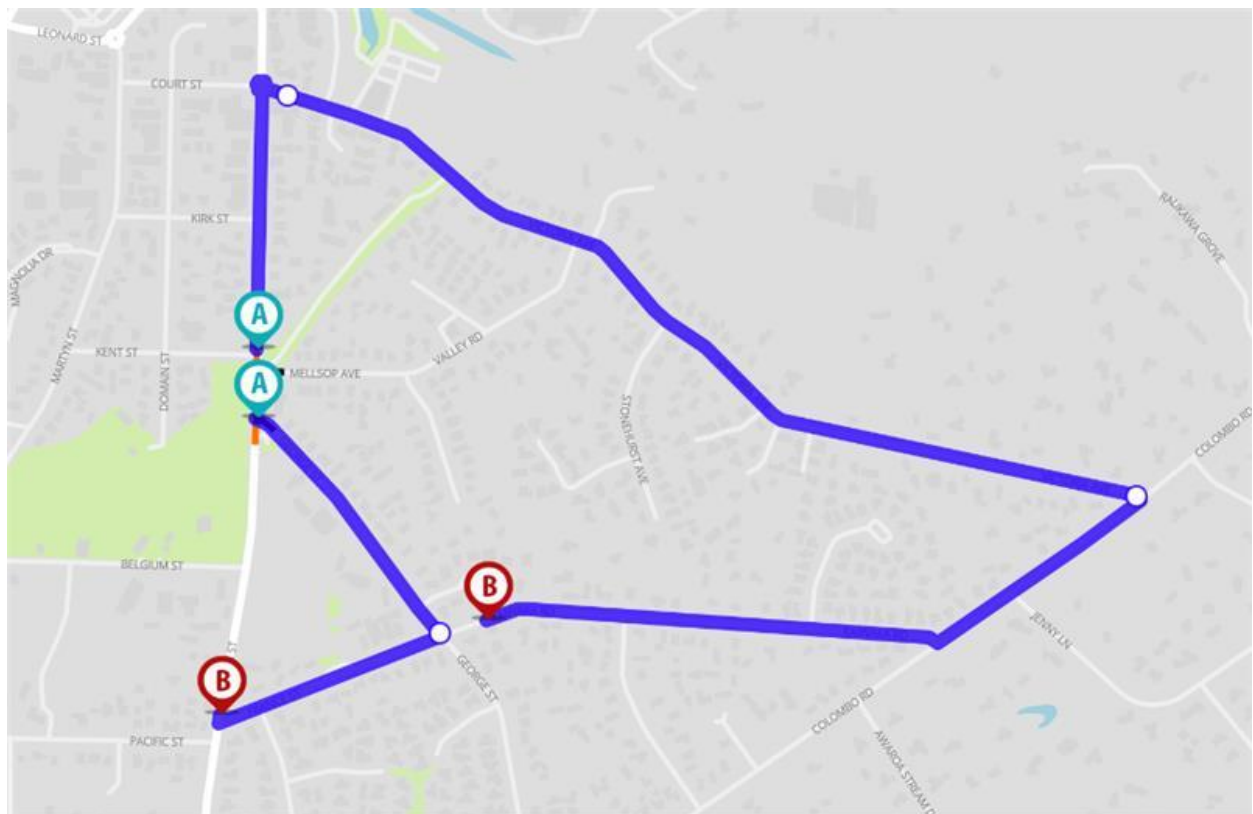

| | |
|-------------------------------|---|
| Where | <ul style="list-style-type: none"> Queen Street, George Street, Kent Street and Mellsop Avenue Waiuku (see work location map below) |
| When | <ul style="list-style-type: none"> 29 March and 17 April 2026 from 7am to 7pm |
| What we're doing | <ul style="list-style-type: none"> Installing a new zebra crossing on Queen Street Upgrading the footpath Installing a new pedestrian refuge crossing on George Street Installing new pram crossings on Kent Street and Mellsop Avenue New road markings and upgraded kerb |
| How it may impact you | <ul style="list-style-type: none"> There will be road closures on Queen Street, Mellsop Avenue and George Street. If you live along this road, traffic controllers at either end of the road will help you access your property. On-street parking will be limited during works. Cars will need to be cleared from 7pm. You may need to either park on your property or on a side road and walk to your property. |
| How travel is affected | <ul style="list-style-type: none"> Detours will be in place to redirect traffic around the work site (see detour map below). We expect a traffic delay of 3 minutes as a result of this work. <p>Traffic controllers will be on site to assist around the work site. Please follow all signs, light signals and traffic directions.</p> |
