We're installing pedestrian crossings and speed humps around Randwick Park in Manurewa

Kia ora,

We are installing pedestrian crossings and speed humps to improve safety around Randwick Park in Manurewa. Work will take place between 27 May and 30 June 2026. These works are part of the Randwick Park Speed Calming project. This project is being delivered by AT on behalf of the Manurewa Local Board under the Local Board Transport Capital Fund. Through this fund, Local Boards invest in transport and roading improvements to meet the needs of their community

Factors such as wet weather could mean a delayed start. If the delay is significant, we will notify you.

Here is what you need to know about the work happening near you:
