

2 February 2026

We're installing a signalised crossing on Lambie Drive in Manukau

Kia ora,

We are installing a signalised crossing on Lambie Drive in Manukau to provide a safe way for pedestrians and cyclists to cross between Hayman Park and the Manukau Supa Centa. Work will take place between 9 February and 11 March from 7am to 7pm with some possible nightworks. These works are part of the Manukau Cycling Project (Phase 1) within the Active Modes programme at Auckland Transport. To check for updates on this project you can search 'Manukau cycle network safety improvements' or scan the QR code.

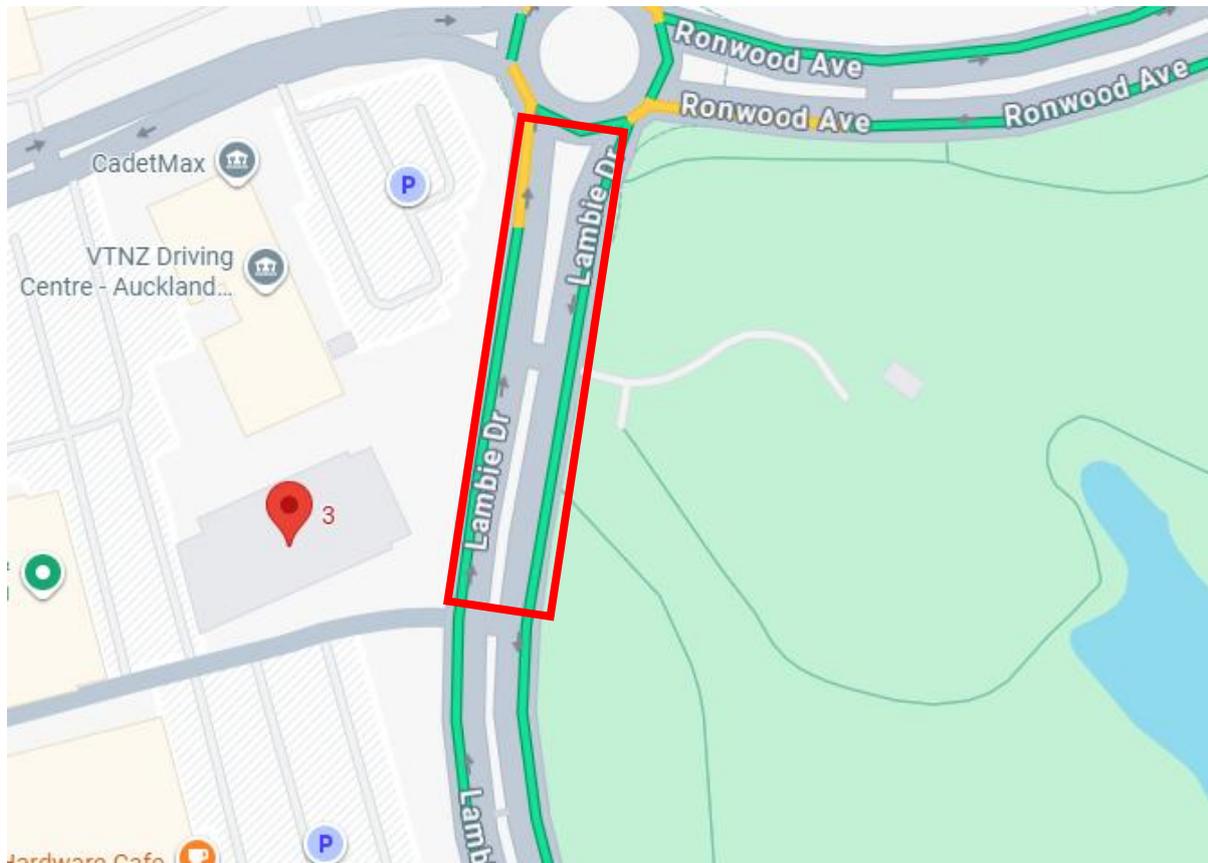

Factors such as wet weather could mean a delayed start. If the delay is significant, we will notify you.

Here is what you need to know about the work happening near you:

| | |
|-------------------------------|---|
| Where | <ul style="list-style-type: none"> Between opposite numbers 51 and 3/55 Lambie Drive |
| When | <ul style="list-style-type: none"> 9 February – 11 March 2026 7am to 7pm (with some possible nightworks) |
| What we're doing | <ul style="list-style-type: none"> Installing a signalised crossing |
| How it may impact you | <ul style="list-style-type: none"> Works will create noise and vibration; we'll do our best to keep noise levels down. |
| How travel is affected | <ul style="list-style-type: none"> Lanes on Lambie Drive will be reduced. Alternative bus stops will be in place as Stop 6906 and 6919 will be closed. Use the AT Mobile app to receive notifications about changes to routes and stops near you. Pedestrian access will be affected as sections of the footpath will be closed. Alternative access will be provided around the worksite on the back berm. <p>Traffic controllers will be on site to assist drivers and pedestrians around the work site. Please follow all signs, light signals and traffic directions.</p> |
