6 October 2026

Temporary traffic management at Sutherland Road will start from Monday 12 October 2026.

Kia ora,

We're writing to confirm the traffic management on Sutherland Road and at the intersection of Sutherland Road and Carrington Road. Work was paused in September while we refined the design.

Wet weather or unexpected site conditions may delay the work. We will let you know if there is a significant delay. For more project information, scan the QR code. You can also subscribe to our newsletter for updates about future construction stages.

Here is what you need to know about the work happening near you:

Where	**Stormwater upgrades:** 8 Sutherland Road to 28 Carrington Road **Utility upgrades:** Intersection of Carrington Road and Sutherland Road
When	From 12th October till approximately 29th November 2026 Dayworks: Monday to Saturday, 7:30am to 6:00pm If nightworks are required, we will notify you.
What we're doing	Installing a new stormwater line and utilities
How it may impact you	• **No on-street parking:** Parking will not be available on either side of a short section of Sutherland Road. The restricted area will be coned and clearly marked. No-parking signs will be installed on 10 October. Vehicles must not park in the restricted area, as this would prevent work from proceeding, cause delays and create safety risks. Parking will be restored in sections as the work progresses. • **Vehicle access to property:** Access to some properties will be temporarily limited during working hours when work is taking place nearby. Dempsey Wood will contact affected properties directly. • **Noise:** The work may be noisy and may cause some vibration. We will monitor this and try to keep noise as low as possible.
How travel is affected	**Stage 1: 12th to 13th October** • Two-way stop-go on Sutherland Road: Temporary traffic lights will remain in place 24/7, including outside working hours. **Stage 2: 14th October till approximately 29th November 2026** • Three-way stop-go at the intersection of Sutherland Road and Carrington Road: Temporary traffic lights will remain in place 24/7, including outside working hours. • **Pedestrian access:** Pedestrian footpath will always remain open; During working hours please wait for traffic controllers to safely guide you through the working area.

Contact us

If you have any queries or concerns about this project, please contact Auckland Transport:

Email: carrington@at.govt.nz

If you have any queries related to the **construction**, please contact Kirrily:

Email: carrington@dempseywood.co.nz

Phone: 0800 395 274

Thank you for your understanding and co-operation while we carry out this work.

Ngā mihi, Auckland Transport.

Stage 1: 12th to 13th October

Stage 2: 14th October till approximately 29th November 2026
