We're making stormwater improvements on Segar Avenue in Mount Albert.

Kia ora,

We're writing to provide an update about the ongoing stormwater improvements being completed on Segar Avenue. Work is expected to continue until 1 August 2026. These works are part of the Carrington Road Improvements project.

Factors such as wet weather could mean a delay. If the delay is significant, we will notify you. Scan the QR code for more information about the project or subscribe to our newsletter for future updates and targeted construction communications.

Here is what you need to know about the work happening near you:

Where	Segar Avenue, from Carrington Road to Rawalpindi Street (see map on overleaf)
When	- A new traffic change will be in place between 20 July to 1 August 2026. - Dayworks: Monday to Saturday, 7:30am to 6:00pm
What we're doing	Installing a new stormwater line
How it may impact you	No on-street parking: There will be no parking on Segar Avenue during the work. Please park on your property if you can. Vehicle access to property: Access may be limited during working hours near where we are working. If this affects your property, our contractor will let you know before it happens. Rubbish collections: Please put your rubbish bins out on your usual collection day. Our team will make sure collections continue during the works. Noise: The work may be noisy and may cause some vibration. We will monitor this and try to keep noise as low as possible.
How travel is affected	Traffic will change in two stages. Traffic controllers will be on site to help. Please follow all signs and directions. Stage 1; 20 July to 25 July One-way detour: From 7:30am to 6:00pm each working day, you can only exit Segar Avenue onto Carrington Road. To enter Segar Avenue, please use Rawalpindi Street.
