

7 August 2026

We are completing significant upgrades to services and utilities on Carrington Road in Mount Albert

Kia ora,

During the month of August, work will continue to expand into new locations. As work progresses, targeted letters will be provided if work occurs close to property or business frontages.

Factors such as wet weather could mean a delay. If the delay is significant, we will notify you. Scan the QR code for more information about the project or subscribe to our newsletter for future updates and targeted construction communications.

Here is what you need to know about the work happening through the month of August 2026:

Where	Carrington Road, Segar Avenue, Sutherland Road, Woodward Road.
When	Day: Monday to Friday, 7:30am to 6pm and Saturday 15 August, 6am to 9pm Night: Wednesday 12 August, 8pm to 5am.
What we're doing	- Continuing stormwater upgrades on Carrington Road, Segar Avenue and Woodward Road. - Continuing utility upgrades on Woodward Road, including at the intersection with Carrington Road. New work - Stormwater and utilities upgrades at the intersection of Carrington Road and Sutherland Road. - Commencing reconstruction of the historic wall at Gate 1. - Overnight works to complete line marking and temporary pedestrian crossing improvements on Carrington Road, between the Sutherland Road and Woodward Road intersections.
How it may impact you	- Vehicle access to properties will be maintained and will only be temporarily affected where we are installing the services through a vehicle crossing. If your property is affected, Dempsey Wood will notify you in advance. - Pedestrian access will be maintained around the work areas, with signs guiding you safely. - Works will create some noise and vibration; this will be monitored and we'll do our best to keep noise levels down where possible.
How travel is affected	- A road closure will be in place at the intersection of Carrington Road and Woodward Road on Saturday 15 August, not on 8 August as previously communicated. If additional works are required, we will notify you. - Temporary traffic lights will be installed at the intersection of Carrington Road and Sutherland Road this month for approximately five weeks. We will notify you when dates are confirmed.
