Please note: During this time all stop bus service Rail Bus East – RBE, will run throughout the closure keeping you connected to the city and Manukau.

Following resident feedback on bus engine noise at night, we are implementing a low noise vehicle shuttle (RBM) that will run between stop 7589 outside Meadowbank Station and stop 7430/7431 on Remuera Road, where you will be able to transfer to the RBE service.
