# We're upgrading stormwater on Carrington Road.

Kia ora,

In our letter of 29 September, we let you know about planned stormwater upgrades on Carrington Road at the Willcott Street intersection. The night shifts originally advised in our letter of 29 September were rescheduled. We can now confirm that work will take place over three nights, from the evening of Tuesday 20 October to the morning of Friday 23 October 2026, between 7:00pm and 5:00am each night

Some noise is expected during this time, and we understand that overnight work can be disruptive. The work is scheduled at night to reduce disruption across the wider road network.

Wet weather or unexpected site conditions may cause delays. If there is a significant delay, we will let you know. Scan the QR code for more project information, or subscribe to our newsletter for updates about upcoming construction stages.

**Here's what you need to know about the work near you:**

| | |
|---|---|
| **Where** | • On Carrington Road, at the intersection of Willcott Street |
| **When** | • 20 October to 23 October 2026<br>• 7:00pm to 5:00am |
| **What we're doing** | • Installing utility service across Carrington Road |
| **How it may impact you** | • **Noise and vibration:** The work will create some noise and vibration. We will monitor it and do our best to keep noise levels down. |
| **How travel is affected** | • **Stop-go traffic management:** Traffic management will be installed on Carrington Road in the immediate work area. Allow extra time, expect short delays, and follow traffic controllers and signage.<br>• **Road Closure:** Willcott Street at the intersection of Carrington Road remains closed.<br>• **One-way detour**: Benfield Avenue at the intersection of Carrington Road remains entry only. |
